Facials

Skinician Active Signature Facial - Level 1	
--	--

A tailored treatment designed to refresh, hydrate, and revitalise the skin, tailored to individual needs

A bespoke, diagnostic facial that targets specific skin concerns based a, individual analysis. This introduction treatment uses gentle active ingredients to refresh and balance the skin, leaving it nourished, hydrated, and glowing. **£60.00**

Skinician Active Enzyme Renewal Facial - Level 2	
---	--

A rejuvenating treatment powered by enzymes and AHAS, designed to gently exfoliate, brighten, and enhance radiance.

A mild yet effective chemical exfoliation treatment to decongest skin, dissolve dead skin cells, promote cell renewal, and reveal a smoother, more luminous **£65.00**

Active Resurfacing AHA/BHA Peel - Level 3

A transformative resurfacing treatment combining 21.5% acids of glycolic, lactic, and salicylic with AHA fruit enzymes, to refine, rejuvenate, and visibly enhance skin clarity and texture!

Powered by a potent trio of acids, this advanced treatment gently exfoliates, boosts cell turnover and smooths uneven texture, to reveal a brighter, more even complexion while reducing fine lines, pigmentation, and acne scars over time for clearer, healthier, more radiant skin and a strengthened skin barrier. **£80.00**

Skinician Active Ultimate AHA/BHA Peel - Level 4

The most advanced corrective treatment combining 30% acids of lactic and salicylic with AHA fruit enzymes, retinol and encapsulated vitamin C for intense resurfacing, rejuvenation, and correction of advanced skin concerns.

This advanced peel blends a duo of acids, retinol, and encapsulated Vitamin C to target key skin concerns. Lactic acid smooths and brightens, salicylic acid refines pores, retinol renews and firms, and vitamin C boosts repair and radiance, revealing a clearer, smoother, more youthful complexion both instantly and over time. **£90.00**
